**RE: U.S. NATIONAL BANK V. PETER NAGY  
2:20-cv-00346-FB-VMS**

To The Honorable Court and Plaintiff's Counsel:

My apologies for late filing of the Notice of Appearance. I have not litigated nor had any experience E-Filing in Federal Court, and did not intentionally disregard the filing date.

Since receipt of the Activation Letter from Pacer, Monday, 2/7/22, I did everything I was supposed to, created a Pacer Account, but was not aware I needed a CM/ECF Filing Account. I received the information, and was playing phone tag, until Jasmine from Federal Court, was kind enough to walk me through filing just now.

I am and have contacted my client regarding the Order, and am waiting for his final tax returns, and I believe once he's then updated all his documents, the Plaintiff's Attorney, should have everything they need.

Thank You
